

MODEL No.	DESCRIPTION:
7290-2	Flash-Bang, DoubleBang™ Low Roll, Aluminum Body, Single Use
	Revision A 01/14

NOT TO SCALE

WARNING: CSI manufactures a variety of CTS less lethal products which are under pressure, pyrotechnic, incendiary, emit projectiles, generate smoke, or are explosive in nature. When used in accordance with CTS training guidelines and the individual agency's policy, they are intended to cause varying degrees of pain and injury, which are temporary. These products are restricted to law enforcement, corrections, and military personnel and are used to gain compliance, disperse crowds, restore order, or temporarily incapacitate dangerous persons. In rare circumstances, CTS less-lethal products may cause damage to property, serious bodily injury or death. Therefore, any person using the force option depicted on this page should receive proper training to ensure the safest and most effective use.

PHYSICAL & OPERATIONAL

Type*	Multiple output Noise-Flash Diversion Device
Material	Aluminum, anodized (color optional)
Diameter	1.75" maximum diameter
Length	5.4" maximum overall length including fuze
Weight	Less than 450 grams
